6.8 TRAINING AND CONSULTING EXPERIENCE

As a Quality and Productivity Improvement Consultant, had my first encounter with Quality Control in 1978 and Total Quality Management (TQM) in 1989. Since then, I have participated in national and international conferences, seminars and workshops on Quality Control, Total Quality Management, Productivity Improvement and related topics. These were organised by Standards Organisation of Nigeria (SON); National Productivity Centre (NPC); Federal Ministry of Commerce and Tourism and Nigerian Export Promotion Council (NEPC). My participation was in various capacities, including Facilitator, Guest Speaker, Coordinator and Convener.

Since 1991, I have been a Principal Consultant in TQM Implementations in many companies in Nigeria, including UACN Plc, which is ranked the biggest private conglomerate in Africa.

I have been Principal Facilitator to foremost consulting outfits on TQM in Nigeria to design and run workshops on topics including TQM for Managers; Training-The-Trainers in TQM; Building World-Class Customer-Oriented Culture in the Banking Industry to mention but a few.

I was the Team Leader of the Inter-university Research Team on Quality Management (IRTQM). IRTQM was a university-based Team, involved in conducting research into TQM Implementation and Development in Nigeria. IRTQM was responsible for organising annual national and international conferences on TQM in Nigeria. These activities were carried out with support from many organisations in the private sector, including Chevron Nigeria Ltd; The Document Company - H. S. Xerox; Shell Development Company; and a host of others.

I played leading role in the design and execution of the following training-related activities:

- (1) Quality and Productivity Improvement Project at Litho Factory, Bordpak Premier Packaging (BPP), Apapa (A division of UACN Plc) (1992-1993).
- (2) Total Quality Management (TQM) Implementation in Bordpak Premier Packaging (BPP), Apapa (1994-1996)
- (3) Total Quality Management (TQM) Implementation in Eagle Package Printing, Otta (1993-1995)
- (4) TQM for Managers Training Workshop for Lion of Africa Insurance PLC;
- (5) Training-The-Trainers in TQM for First Bank PLC Training Managers – Organised by Rockleads Limited (1994-1995)
- (6) Building World-Class Customer-Oriented Culture in the Banking Industry Workshop for First Bank Nig PLC Managers(1994-1995).
- (7) ISO-9002 Certification Programme for Vita Foam Nig. PLC (1999-2000).
